

FARMING IS HARD, TALKING WITH FAMILY IS HARDER

Join us for a two-part virtual event with Zoe Kent with Kent Family Farms. Farming is hard, and family conversations about farm stress and succession planning can be even harder. Discover the power of effective communication and how it can transform conversations. Learn valuable skills to navigate difficult conversations with confidence and clarity.

▲ Who Is Invited?

Anyone interested in learning how to navigate difficult conversations with family.

▲ Who Will Be Speaking?

Zoe Kent - Kent Family Farms
B.S. Agribusiness, Ohio State University

▲ What Will Be Shared?

This webinar will cover stressors many farmers are currently facing along with tips on having crucial conversations around farm stress and succession planning with your family. Zoe will share her personal experience and steps taken along the way in their family transition planning process.
